

Welcome to our Wine Bar

We offer a selection of wines by the glass or bottle, changing all the time depending on what we love most. Cocktails and mocktails are a particular passion of ours. Everything but the base spirit is made in-house using the best of local and worldwide flavours and staples from the kitchen. Any questions, just ask. We also offer a full wine list in our restaurant if you'd like to try something particularly special.

Lunch Available 12pm-2pm on Wednesday to Saturday.
